

Adn

Una distribución anárquica de puntos de luz conforman las estructuras de ADN, con equilibrio estético y visual. La colección de led ilumina de forma potente y presenta una gran variedad de elementos en diversos formatos. Como característica principal sus armazones, decorados en blanco epoxi, aporta la posibilidad de reemplazar sus puntos de led, si ocasionalmente fuera necesario. "ADN" distinta, diferente y original, destinada a vestir e iluminar tu espacio favorito.

An anarchic distribution of lighting points conform the structures of DNA, with an artistic and visual balance. This LED collection illuminates in a powerful way and presents a wide variety of elements in different formats. As a main characteristic, its frames, decorated in white epoxy, provide the possibility of replacing its LED points, if necessary. "ADN" is a different and original piece, destined to dress and illuminate your favorite space.
